Important reminders before you start your spring cleaning

With Spring Cleaning just around the corner, Public Works would like to remind all residents of what the town does and does not pick up by the curb:

What we DO pick up:
Bulky item collection is intended for the occasional disposal of large items that will not fit into a roll cart but is not intended for a whole house clean out.

• Furniture
• Mattresses
• Appliances
• Electronics

What we DO NOT pick up:
• Extra trash that will not fit inside the roll cart
• Cardboard
• Whole house cleanouts

Cardboard Recycling:
Cardboard must be broken down for recycling. Waste Industries will pick-up large boxes that do not fit inside roll carts. Please break them down and set them in between your trash and recycling carts for easy pick-up.

Do you need assistance paying your water bill?

Low-Income Household Water Assistance Program (LIHWAP) can help!

LIHWAP is a temporary emergency program that will help eligible households and families afford water and wastewater services, providing a one-time payment for eligible low-income households paid directly to the utility company. LIHWAP runs through September 2023 or until the funds are exhausted.

How Do I Know if I Qualify for LIHWAP?
If your water or wastewater services have been cut off or if you have received notice that your services are in danger of being cut off because your bill is past due, or you simply need help paying your water bill, you may be eligible!

Who is eligible to receive LIHWAP?
To be eligible for the LIHWAP program, a household must have at least one U.S. citizen or eligible legal permanent resident and:
- Have income equal to or less than 150% of the federal poverty level,
- Have water or wastewater services that are disconnected, in jeopardy of being disconnected or have a current outstanding bill, and
- Is responsible for paying the water bill.

Households that currently receive Food and Nutrition Services (FNS), Temporary Assistance for Needy Families (TANF) or Work First services, or those that received Low-Income Energy Assistance Program (LIEAP) services between Oct. 1, 2020, and Sept. 30, 2021, are automatically eligible to receive this benefit. Please contact your local county Department of Social Services for more information.

How do I apply?
If you need assistance paying your water bill you can apply online at https://epass.nc.gov/. You can also apply over the phone by calling your local county Department of Social Services, printing out a paper application at https://epass.nc.gov/ and drop it off or fax it to your local county Department of Social Services, or by apply in person at your local county Department of Social Services office.

LIHWAP runs through September 30, 2023 or until funds are exhausted.
Applicants can receive assistance more than once.
