Kids enjoyed touring Fire Engine 15 at the NC Blueberry Festival

Saturday, the Burgaw Fire Department participated in the NC Blueberry Festival. We set up Engine 15 in front of the station and firefighters showed over fifty children the inside of Engine 15. Volunteers and paid staff also responded to calls with medical personnel to check on people with heat related issues. Additionally, we worked with our food vendors to ensure everyone was prepared in case any of these vendors experienced a fire while serving various food product to festival attendees. We want to thank our volunteers that participated, as well as the children who stopped in to tour the engine.

R U Okay? Welfare Check Program

The Burgaw Police Department has a welfare check program that calls individuals weekly to check their safety and security. The program is open to Burgaw residents who are elderly, shut ins, or just could use someone to check in on them throughout the week. Those individuals are also notified during inclement weather conditions such as hurricanes or ice storms of safety concerns. If you or a family member are interested in being added to the program, please contact the Burgaw Police Department at 910-259-4924.
Did you know that a fuel tax you pay at the pump is largely responsible for funding a well-functioning transportation system that gets you to where you need to go, delivers packages to your door, and keeps groceries on the shelves? But as vehicles go farther on less fuel and some stop using any fuel at all, it becomes harder to maintain our aging transportation system.

The Eastern Transportation Coalition, a partnership of 17 states and Washington D.C., needs your help to explore an alternative approach, called a Mileage-Based User Fee (MBUF). A Mileage-Based User Fee means each driver pays for the miles they drive instead of the fuel they buy.

To better understand how an MBUF program could work, the Coalition is conducting a Pilot Program in North Carolina and they want you to join and tell them what you think! It is free to participate, and there are strict privacy protection measures to safeguard your data. Here’s how to join the Pilot in four easy steps:

1. **Enroll** - Fill out the enrollment form by clicking the link on the website.
2. **Insert** - Plug a small device into your vehicle to record mileage.
3. **Drive** - Then drive as you normally do.
4. **Return** - After a few months, mail back the device.

*These steps may vary depending on the mileage-reporting option selected.*

Make your voice heard by visiting [NorthCarolinaMBUFpilot.com](http://NorthCarolinaMBUFpilot.com) today to enroll!

Individuals who qualify can get paid up to $50 for participating.

Have questions? Contact a pilot team member at 984-254-7400 or [northcarolina@MBUFpilot.org](mailto:northcarolina@MBUFpilot.org) to get your questions answered!
